

CVET Pet Intestinal Paste is back in stock!

Recover Faster, Reduce Diarrhoea, Restore Balance

We've upgraded our packaging with a sleek, new design that complements the CVET NutriCareVet range. This not only enhances the in-practice experience but also makes it perfect for retail sales, allowing you to offer convenient take-home options for your clients.

CVET NCV Pet Intestinal Paste:

Featuring the same high-quality formula, our CVET Intestinal Paste is a complementary feed for cats and dogs that contains both prebiotics to support the intestinal flora and probiotics to aid in the recovery process of diarrhoea.
